**NEW**

**CLASS 2 CHAIN SAW PROTECTION  
CLASS 2 HIGH VISIBILITY**

These firemen leggings with chain saw protection in high visibility color with reflective stripes (70 mm wide) offer a good visibility complying with EN 471, class 2. The chain saw protection complies with EN 381-5, class 2 for chain saws with speed until 24 m/s. Exterior fabric is waterproof and breathable. Combination of all those elements makes these garments extremely suitable to use in extreme circumstances in which firemen have to work with chain saws.
